1. Proceed, proceed, proceed with what's in your heart. Proceed with the details carried out by others with the others now that I bring to your side.
2. Behold Me. Behold Me what I do, what I say, how I work.
3. Behold Me and document Me well.
4. **Document your feelings and your emotions and share all that is within Me.** I love you. Document for My lambs, for My would be leaders, for will be leaders, for leaders who will be, who leaders who will lead; who leaders must know the trials, the tribulations, and the price and suffering they pay to lead My troops, My lambs, My death-defied ones who death have known. I love you.
5. Emotion, emotion My troops. Emotion them now into My hands, motives of purity and holiness and righteousness. I thank you.
6. Behold My oneness coming forth.
7. Move forth now with My plan, My oneness, My category-less ones who come forth to **paint** My picture more completely.

Amen
